## **CHORUS NOTES**

*Marion Armstrong*

Everyone seemed to have the Christmas Spirit after their dinner and Holiday sing-a-long on Sunday, December 16. As always the food was delicious and the Chorus was at their best with carols and songs of the season. Mr. & Mrs. Santa added a festive touch to the evening. We thank our own Grace Gagliardi for her rendition of "O Holly Night" and our accompanist, Natalie Young for making us sound very professional.

There is always room for more singers, so come join us on Tuesday evenings at 7:00 p.m.

## **WELCOME BACK PARTY**

*Joan Zimmerman*

The Welcome Back party will be held on Saturday, January 19, 2013 at the clubhouse. It will be a chili dinner. Several varieties of chili will be served. The party will be from 5 to 9 p.m. Entertainment is planned.

## **CRAFTS**

## like second nature.

ReSound's new Verso uses a unique technology that supports the way hearing naturally works. Binaural Fusion ensures that two hearing aids work as one system to pick up all the sounds around you. This gives you incredibly accurate and clear sound – for a more natural hearing experience.

If you are interested in offering feedback about this new technology call our office for an appointment. We are looking for 10 people with a known or suspected hearing loss.

## VALENTINE'S DAY PARTY

Keep the date! Sunday, February 10, 2013, we will be celebrating Valentine's Day at the Clubhouse. Music will be provided by Spotlight Entertainment. Watch for ticket prices and other information to follow.

## SAVE THE DATE

*Grace Gagliardi*

This year's musical tea party has been scheduled for 3 PM on Sunday afternoon, March 3rd. Bring your tea pot or borrow one of ours, bring a few tea sandwiches or cakes (if you like), and come enjoy a little music and chat. Men welcome also!

## FLU SEASON LOOMING

*Grace Gagliardi*

According to the CDC, flu season in the US is off to its earliest start in several years, and could be a bad one. The primary strain is particularly hard on the elderly. The last time a conventional flu season started this early was the winter of 2003-4, which was the most lethal in 35 years, with more than 48,000 deaths -- twice the usual number. That year's dominant viral strain was the same as this year's.

The good news is, this year's vaccine is much better matched to the dominant strain than the vaccine of 2003 was, and there's plenty of it. So if you have been meaning to get a flu shot, NOW is a very good time.
