WELCOME BACK PARTY

Donna Reese

The Welcome Back Party was held Sunday, January 12th, from 7 to 10, at the Clubhouse. Entertainment was provided by Joe and Penny from Escape Entertainment. We had a couple different contests, one of which was a guessing game for guessing who was in the childhood pictures of some of our residents. We included a bonus picture of a bride and groom. Lottery tickets were won by the person whose guess was drawn and provided the first correct answer. It proved to be lots of fun for everyone. We also had a Name Tag Contest, and there were some very creative nametags. We had four categories of winners, Best Location won by Sandy Richardson, Most Beautiful won by Rosemary Parker, Most Creative won by Joyce Martin, and Funniest won by Patti Schinharl. It was wonderful to see how creative all our residents were in making their name tags. Thanks to every one who came and a special thanks to my wonderful committee.

during the holidays is always a treat as so many of our residents decorate too!

Please see the insert in this month's newsletter regarding "flushable" wipes. Starting in March, if our plumbers are called to your home for a sewer blockage that is from the sewer clean-out to the main line and non flushable items are found, Bay Lake will pay for the first service call as a courtesy. If there is another service call needed and non flushable items are found in the line it will be the resident's responsibility to pay for the service call. Remember – not everything that may say it's flushable really is!

Oh my gosh – once again the birds (or the fish)! Please don't feed the birds or the fish. That means no bread, leftovers or anything else.

Don't forget the ELS Expo events to be held in March. For more information see the "Expo" board in the clubhouse or stop into the office for a flyer. There will be several big events in our local area!

Our "Home of the Month" award for December went to 106 Oleander Street and January's award went to 31 Orange Blossom. They both received their \$50 gift cards! Make sure that you take a ride by these homes. Good luck to next month's winner!

Until next month!

EVENT NEWS FLASH

by Steve Rollison

If we have your correct e-mail address on file, you should have recently received a message welcoming you to the new Bay Lake Estates Association "Event Alert" service.

You will receive a brief (usually just one paragraph long) e-mail Alert whenever an Association event is announced or there is any other news or information you should know about. For example, an Event Alert could be issued concerning...

- a holiday party at the clubhouse
- an upcoming Association meeting
- a water shut-off and boil alert (remember those?!)
- planned street repairs or maintenance
- a major decision made by the Board of Directors

Alerts may duplicate much of the information available on Channel 195, but offer a couple of advantages.

- You don't need to remember to tune in to a TV channel to check if there's anything going on that you should be aware of. Just watch your e-mail inbox for the subject "BLEA Event Alert."
- You can easily stay informed about what's going on at Bay Lake Estates all the time—even when you are "at home up north."

To subscribe to the service, just send an e-mail to EventAlerts@SteveRollison.com. You can stop receiving Alerts any time you wish by simply clicking on the link provided at the end of each Alert.

WELCOME BACK—

WELCOME TO THE COMPUTER CLINIC

by Steve Rollison

Perhaps you just got back to your winter home here at Bay Lake and were unaware of the Computer Clinic that is available to you. Or maybe you received a new laptop or desktop computer, electronic tablet, or smart phone for Christmas, and learning to use it is causing you some frustration.

In either case, you may want to take advantage of the weekly Computer Clinic where you can receive expert assistance free-of-charge from 1:00 o'clock until 3:00 o'clock in the clubhouse.

Susan & Steve Rollison and Herb Van Dyke are there to address any problems and answer any questions you may have concerning your computer, tablet or phone. The kinds of questions or problems that residents have gotten resolved include...

- Computers that wouldn't connect to the Internet
- Programs that quit working
- Pictures that needed to be transferred from digital cameras to computers
- Learning how to use Yahoo! Mail and Gmail
- Sending e-mail messages to multiple people

Occasionally an issue is too complex or time-consuming to be addressed at the Clinic. In those cases arrangements are often made for an in-home visit, as shown by these recent examples.

- An Internet connection and sound that suddenly stopped working
- A computer that could print anything except e-mails
- Transferring all files from an old computer to a new one

If you are having any kind of computer problems, you are encouraged to come talk to us about them BEFORE calling a local in-home or carry-in service. When it comes to computers, Herb, Susan and Steve have many years of technical expertise. They may not always be able to work on your computer right away, but if you can afford to wait for a little while, more often than not they can fix problems without any expense to you.

SAVE THE NEW DATE

All are invited to the fifth annual Musical Tea to be held Sunday March 23rd at 3PM in the clubhouse. This year's title is "Sacred Favorites." Currently the program is under construction. All suggestions will be considered, though perhaps not all can be accommodated within the 45 minutes of music. Previous audiences have had a great time and a wonderful array of tea and goodies. Please join us! Men are welcome, it's not just for the ladies.

THANKS A LOT

Jane Ann Miller

I would like to thank all the people who helped sell our HOA memberships. I would also like to thank Joan Goering for mapping out the districts. With all of your hard work we currently have 188 association members and about 18 associate members. Thank you so much, and I am hoping that most of you will do this again next year. Some have told me that they didn't want to, but I am hoping most will do it again next year.
