What a wonderful turn out for our Salad Luncheon and Fashion Show. I believe we had 73 in attendance. The salads and desserts were the best. What else could it have been with all our wonderful chefs contributing.

Our Lovely Ladies of Bay Lake did a magnificent job in their selections and modeling. Lorrie from Bonworth's did a very good job in presenting and giving a brief bio on each model. She had informed me that she usually doesn't do the presentations but because of electrical problems at the store, Diana, the manager, asked her to fill-in. Kudos, Lorrie.

Just a reminder our next luncheon will be held on Thursday, April 3, 2014 and Joyce Martin will chair the event. The Woman's Club Board will be meeting with her within the next few weeks to go over her luncheon plans, entertainment has already been scheduled. The menu and prices for tickets will be announced at Saturday coffee and bingo on Wednesdays...after that meeting.

continued on page 2

Please remember to submit new ideas for functions, fund raisers, etc. at the April luncheon. We have come up with some suggestions for the 2014/2015 year and dates will be scheduled at that time.

Again, thank you for your support.

FROM THE MANAGER

Leslee Jones

Don't forget your ticket for the annual "Managers Lunch" to be held on March 7th. Hurry the last day for tickets is March 3rd!

Please excuse the omission of the non-flushable items flyer in last month's newsletter. The insert is in this month's newsletter. It doesn't hurt to repeat that starting in March, if our plumbers are called to your home for a sewer blockage that is from the sewer clean-out to the main line and non flushable items are found, Bay Lake will pay for the first service call as a courtesy. If there is another service call needed and non flushable items are found in the line it will be the resident's responsibility to pay for the service call. Remember – not everything that may say it's flushable really is!-

As many of you may know the Homeowners Association now has a committee called the Compliance Committee. This committee will assist in review of home and landscape compliance within Bay Lake. I have enclosed a copy of the letter that is sent to a homeowner if work needs to be done on your home, or if your home is being well cared for. Reviewing this letter will help you know what is being looked at during home inspections.

Don't forget the ELS Expo events to be held March 4th thru March 13th. For

more information see the "Expo" board in the clubhouse or stop into the office for a flyer. There will be several big events in our local area and tickets are limited!

Our "Home of the Month" award for February went to 39 Orange Blossom Street. They received their \$50 gift card! Make sure that you take a ride by this home. Good luck to next month's winner!

Until next month!

WE HAD A BLAST!

The Valentine's Dinner Dance was such a success. Everyone raved about the music. Thanks goes out to the "Got To Luv It Band" for their lively and very entertaining sound. We all danced up a storm. Looking to book them again for next year!

Bob & Lorna Malavolti out did themselves again with their Party Chicken dinners. Thanks guys for the delicious food.

The door prizes consisted of donations from Toni Summer for one of her great hair cuts, a free tax preparation from Donna Pfeiffer, a cute pet toy with doggie treats from Paw Prints Essential on Venice By-pass, several flowing plants and a large heart shaped box of chocolates. Congratulations to the WINNERS! One drawing for the 50/50 - the winner won a whopping \$108. Congratulations John Berning!

Ginny Casper, Toni Summer and myself, Donna Pfeiffer were all first time event committee members for BLE. It was nice to see lots of happy faces as we strolled around the dance floor having a good time ourselves. Thanks also to Joyce and Jim Martin, Sylvia Richardson, Ann Cashell, Rosemary Parker, Jane Ann Miller and all others I may have failed

Notice PLEASE put a clothespin on your door so the person delivering your newsletter will have a place to hang it if you are not home.

to list that helped with the decorating, tickets, serving and clean up for the night. We had so many helpers. What a great community!

WIN

Donna Reese

We held the first meeting of our new Bay Lakes Weight Loss Support group on Friday, January 10th. We named the group WIN (Weigh in Now and Win!). We have asked Joyce Martin to reserve Wednesday mornings at 9 am as our official meeting time at the Clubhouse. Some of the things we will be stressing are accountability (weighing yourself and keeping a food log);

Motivation (keeping each other motivated to continue); Exercise (striving to get in some exercise each week); and drinking water. We will be sharing recipes and ideas as time goes on. This group is open to everyone, so please come and join us each Wednesday at 9 am.

EXTERIOR HOME AND YARD INSPECTIONS

The Bay Lake Homeowners Association Board and Community Manager Leslee Jones have approved the formation of a "Compliance Committee" which will survey each home site monthly. The committee consists of three year round residents and one board member.

The report will indicate any needs of repair or correction and be given to Leslee who will re-inspect the sites noted and inform the home owner of their responsibility .to correct same.

A copy of Leslee's letter which would go to home owners is printed in this issue of the Bay Laker for you to review and indicates any items needing attention. These guidelines are also in the Rules and Regulations section 8 that each home owner signs for at the closing of your home purchase.

Also in this issue is a copy of the letter Sylvia Richardson presented at the January association meeting regarding Outside Home Maintenance. We all love our community and want it looking the best which affects pride in ownership, resale values and good neighbor relationships.

Thank you for your personal cooperation in this matter.

Bill Reese,President

OUTSIDE HOME MAINTENANCE

Sylvia Richardson

I think we all agree this is a nice park that is why we live here the people are friendly and it is in a good location we are close to a lot of things. To keep our park nice it is important for all homeowners to keep up the outside maintenance of our homes. It may not always be easy to do if you are not here at times or have health issues and are unable to the work yourself. There are individuals or businesses that for money will do the work for you. Be it pulling weeds, trimming bushes, power washing and painting and more.

With the type of weather we have here which we all love it does cause havoc to plants, bushes, roofs and exterior walls much more so then in some other parts of the country.

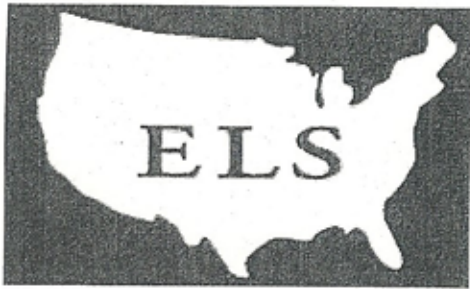

People come up to me and ask why we have homes that have weeds etc. And they blame Leslee .Yes Leslee does her 360 checks and sends out letters. However, bottom line it is our home it is up to us to keep up with the exterior just as in any other community not just mobile home parks.

We as homeowners are responsible to maintain our homes not ELS. In order to keep our park nice we are asking that everybody be consciences in keeping your home and yard in good condition. This is what makes our park which is our home full or part time looking nice.

flushable?

think again ...

What **not** to flush:

- Vitamins, medicines or other pharmaceuticals
- Diapers (cloth, disposable, or "flushable")
- Facial tissues
- Baby wipes, disinfectant wipes, moist wipes, etc.
- Toilet bowl scrub pads
- Swiffer products
- Napkins (paper or cloth), paper towels
- Dental floss
- Fats, oils and greases
- Sanitary napkins, tampons, condoms or any non-organic material
- Wash cloths, towels, rags, underwear (any cloth item)
- Plastic wrappers or packaging

The toilet is not a trash can.

Many items marketed as disposable and/or flushable do not degrade like toilet paper, and they wind up clogging pipes, tangling pumps and causing messy sewer backups into streets, businesses and homes.

So what **CAN** I do?

- Only flush human waste and toilet paper.
- Avoid purchasing "flushable" items. Clean with a sponge or rag that you can reuse.
- Compost your food waste.
- Discard hazardous materials such as used motor oil, antifreeze, etc. at the Household Hazardous Waste Facility.
- If it can't be reused, recycled or composted, please place it in the garbage.

Think **before** you flush.

When is St. Patrick's Day?

St. Patrick's Day takes place each year on March 17, the traditional religious feast day of Saint Patrick.

Did You Know?

There are 34.7 million U.S. residents with Irish ancestry. This number is more than seven times the population of Ireland itself.

St. Patrick's Day Celebration

- Corned beef and cabbage is a traditional St. Patrick's Day dish. In 2009, roughly 26.1 billion pounds of beef and 2.3 billion pounds of cabbage were produced in the United States.

- Irish soda bread gets its name and distinctive character from the use of baking soda rather than yeast as a leavening agent.

- Lime green chrysanthemums are often requested for St. Patrick's Day parades and celebrations.

St. Patrick's Day Parade

- The first St. Patrick's Day parade took place in the United States on March 17, 1762, when Irish soldiers serving in the English military marched through New York City.

- More than 100 St. Patrick's Day parades are held across the United States. New York City and Boston are home to the largest celebrations.

- At the annual New York City St. Patrick's Day parade, participants march up 5th Avenue from 44th Street to 86th Street. Each year, between 150,000 and 250,000 marchers take part in the parade, which does not allow automobiles or floats.
