## FROM OUR PRESIDENT

*Carla Hannay*

Now that September has arrived it won't be long before we see some of our northern neighbors pulling into the Park, kicking off what is known as "Season".

As we all know it has been a long hot and rainy season and I for one am looking forward to the cooler days ahead. It is time to get out there and accomplish some outside work i.e. cleaning, painting and in some instances repairs.

Summer season brought us new residents and they are busy settling in. Some have attended our Saturday coffees and pool parties. As an added note to those of you that are new, when time is available please contact me (484-1371) so I may greet you personally and answer any questions you might have concerning the Park and programs that are offered during season.

Our last "pool party" was held on Sunday, August 16th and thankfully the weather held out (mostly) and we were able to enjoy the pool and all the goodies that everyone provided. I would like to take this opportunity to thank Sylvia and Sandy Richardson, Ann Cashell and everyone else who pitched in to make these parties a success.

Now to the business at hand: 1) Board Meeting will be held at 9 am on Thursday, September 24th; 2) Association Meeting will be held at 9:30 am on October 6th; 3) Labor Day Pizza Luncheon on Monday, September 7th, chaired by Sally Fitzgerald and Ruth Roof.....looking forward to same, I believe the start time is 12:30.

It has come to my attention that Ginny Grunzweig, Sunshine Lady, is not receiving information regarding anyone who is ill, having surgery, etc. It is her responsibility to advise by In-House TV said information so that anyone wanting to send cards of get well, etc. can do so. As of this last Saturday it was found that there were 3 residents that have experienced illness and hospital stays. Please keep Ginny informed.

...continued on page 2

To those who have noticed, a computer has been donated to the HOA for use in the clubhouse.....Steve and Susan Rollison (our resident computer wizards) are in the process of setting it up for anyone's use. They will advise when it is set to go. Also be advised that I'm still working on the purchase or lease of a copier replacement.

John and Grace Gagliardi will be in the process of moving into a new home in the area. Grace informed me that she will no longer be able to complete her duties of Treasurer on the Board or Choral Director. Her last official duties will be at the November, 2015 meeting. I have already selected her replacement to fill her term and will discuss same at the Board meeting seeking approval. Replacement name will be announced at the November HOA meeting. As for Choir Director anyone who might be interested please contact me at my home number.

That's about it for now.....see you around the Park

## BLE TV CHANNEL IS NOW 195 or 196!

## SO WHAT ABOUT WINDOWS 10?

*The Computer Clinic by Steve Rollison*

Since you're reading this article, you're probably running some version of Microsoft Windows on your computer – right? That being the case, unless you've been living under a rock you have undoubtedly been hearing about the release of Windows 10.

The biggest news about Windows 10 is that Microsoft is offering a **free** upgrade to all registered users of Windows 7 and Windows 8. You have until July 28, 2016 to claim your upgrade. (Rumors have been flying that if you take the free upgrade you will have to pay some kind of annual fee at some time in the future. **Not true.** The upgrade is free in all respects.)

You may be wondering if you should go ahead and download and install the upgrade **now**. In a word, our advice is: not yet.

Okay, that's two words. Let's try it in ten words, then. "Do not upgrade until you learn more about Windows 10." (You just counted to make sure that was actually ten words, didn't you?!)

Later this year—after the snowbirds' migration—we will conduct a Windows 10 workshop. You'll be able to see the main new features and learn...

- why you may not want to upgrade
- how to install the upgrade so you can get your old system back if you hate the new one
- some of the cool new features of Windows 10 that may make you want to upgrade

If you have a computer with Windows 8 or 8.1 on it you will probably want to upgrade; especially if you miss the start menu. Windows 10 doesn't restore the start menu back to the way it was in Windows 7 but it's a lot better (in Susan's opinion) than what was available in Windows 8. Susan has been running Windows 10 for a few weeks now and likes it much better than Windows 8.

## MEDICAL SHED

Janice & Herb Van Dyke 106 Oleander St.  
941-483-1043 have taken over the medical shed while Donna & Jerry Loveless go North for the summer. It has wheelchairs, walkers, bicycles, toilet seats, bath seats, etc. Items you might need or can use if you have company with children. If you need anything, please give her a call.

## HAND AND FOOT

We will be playing hand and foot card game all summer on Saturdays at 12:30. Anyone interested in learning Hand and Foot are welcome to come down to the clubhouse and we will teach you.

## WEDDING PICTURES

*Janice Van Dyke*

Several years ago, I made a big poster of wedding pictures of residents with names and dates for Valentines Day. It was fun to look at and talk about. If you are up North or in your home in Florida, start looking for wedding pictures to give me. Please put names and date on the back. I will see that you get them back.

### Transparent T-shirts

I walked into the office the other day and Karen was laughing so hard it took her a minute to catch her breath and share what was so funny. She was talking on the phone with a friend, Sylvia, who wears hearing aids. They were talking about our oldest and Sylvia's son who is also 24 years old. Both young men are in their phase of trying life experiences you would rather your parents not know about.

And both moms, found out.

Karen and Sylvia were agreeing how hard it is to let them live their life. How she wants to slap him upside his head and tell him to get a clue.

Karen wrapped up her thought with a saying she's been using lately, "does that make sense?"

Sylvia responded, "It makes sense to me, but I'm not a 24 year-old guy."

Karen said, "maybe I'll just wear a 'does that make sense' t-shirt."

Sylvia started laughing. Karen paused, knowing there had been a slight miscommunication. Sylvia heard, "maybe I'll just wear a transparent t-shirt."

It was at this point Karen realized Sylvia had not been wearing her hearing aids during the conversation.

Even though Karen found humor in this moment, consistently misunderstanding in conversations aren't always a laughing matter and can cause you to withdraw from social situations.

If you or a friend struggle to hear clearly, call us, we can let you know if hearing aids can help alleviate some of the confusion or miscommunications in your life. Ask about our manufacturer promotions for September.
