GOLDTONES CRUISE

This group (mostly from Bay Lake) went on the Goldtones Cruise on March 2 to March 11, 2018.

Mike & Bert Beauchemin, Rosemary & Dave Baumgartner, Carla Hannay, Ruth Roof, Ron & Jane Ann Miller, Jim Trent, Joyce Martin, Ron & Trish Suit, Anne Cashell, Susan & Steve Rollison, Janice & Herb Van Dyke, Sherry Van Dyke, Pat Van Dyke, Barb Hickey and Bakara.

VALENTINES DANCE

Hats off to such a great group we have here at Bay Lakes that helped make our 2nd GOLDTONES Valentine Dance such a success. We had 109 in attendance plus the GOLDTONES and spouses. There were also dinners delivered to people who were sick that could not make the dance.

First I would like to “Thank” Barb Hickey and her committee: Carla, Lisa and Randy, Judy and Jim and Joyce and Paul. The dinner was great and the portions were unbelievable. Thank you to such a hard working group.

Now I would like to thank my committee: Dave, Jane Ann and Ron, Sylvia and Sandy, Anne Cashell, Roger and Connie and Karol. As everyone knows you cannot get things done without great help. “Thank You” to my committee.

We had a great number of door prizes: Saltwater Café, Waterfrontoo, Bogey’s Sports Bar, Left Coast Seafood Company, Bill Reese Distributors, Casey Key Salon, Norma Jean’s,

Simplicity Salon & Day Spa, Tervis Tumbler, Da Vinci Hair Salon, Raylene Baugh and Wezzie who not only donated items but were instrumental in designing the table decoration. Also, Brenda Joy, Diane Steare and Joyce Martin.

Everyone enjoyed the music and dancing. The GOLDTONES never seem to disappoint us with their 50’s and 60’s music and their entertaining. I hope everyone is looking forward to next February to enjoy them again.

“THANK YOU” to everyone that made this such a great night.

Rosemary

FROM THE PRESIDENT

Carla Hannay

I have been pondering what to write about for my last newsletter. Wondering how to say the words in a short and to the point way.

Well here goes. After serving on the Board for a period of 12 years,

3 as Secretary and 9 as President, I can truly say it has been an experience, most of the time great, sometimes not so great and then there were times when it was most frustrating. But the good always outweighed the frustration.

In keeping it short I would like to extend to all the residents of the Community for stepping up to the plate and taking on the responsibilities of chairing functions (Seasonal and Summer), along with all who served as Committee Members. Without any of you our events would have been a bust. Additionally to those that served on the Audit Committee, Rent Negotiations, Rummage Sale, set-up for meetings, set up and tear down for coffee Saturdays and the MC's and to those that ran/run our Bingo every Wednesday and all those that served as callers, to our Sunshine persons and Librarians. You all have made my job a lot easier over the years.

To all those that served along with me on the Board, what can I say. We worked as a team for the betterment of the Community. Your dedication to your duties were and are 10 fold. It has been my pleasure to work for and with all the past presidents, Bob Swanson, Leon DeLong, Jim Doll, Mike Parisi, and Interim Susan Dyson-Devault. I picked their brains on several occasions.

Lastly, you have all heard me talk about and have written about the basic rules of the Park (Prospectus) and this will be the last time to remind of these rules:

Parking on the grass is prohibited at all times.

No overnight parking in the street

Washing of vehicles is permitted in the car wash area only

All dogs are to be leashed at all times, not to be left to run freely

Pick up all animal waste....carry a baggie with you when walking them etc.

Clear all items from driveways when departing to go back up north

Fill out a Departure Notice with the office

GAME NIGHT

Many Different types of games are played at the clubhouse on Saturday nights at 7 PM.

Feel free to come and join in the fun.

RUMMAGE SALE WRAP UP

Rod & Jane Van Buskirk, Ken & Joyce Havens

Thank you to everyone who hauled, sorted, cooked, cleaned and sold. The rummage sale was a huge success. It was a definitely a park effort and a park success. The final total was a profit of \$4,320.00. Way to go everyone.

LEPRECHAUNS RACES

Joyce & Ken & Jane & Rod

It was a fun filled night with the feisty leprechauns racing. Our race announcer, Steve Rollison had his hands full trying to keep those leprechauns in order. They were full of mischief and mayhem. At the end of the 5th race a brawl broke and 2 of the leprechauns couldn't continue with the race. Steve was able to get 2 of last months flamingos to fill in. There were 7 races and a total of \$730.00 was paid out. Thank you to our Association and the Leprechauns for providing everyone with a nice surprise, Ice cream sundaes.

It was a fun social night out.

WILL YOU COME?

by Steve Rollison

There's a phrase that's associated with the 1989 Kevin Costner movie Field of Dreams. "If you build it, they will come."

For three or four years now I've been hounded by a similar thought that keeps bouncing around in my head: why don't we have a free movie night in the clubhouse?

So there – now I've openly shared that thought that's been pestering me like an annoying song you can't get out of your head. Now maybe it will pester you instead!

If you can't come up with any good reasons why not to have one or two free movie nights each month in the clubhouse – and, in fact you're pretty sure you'd probably attend quite a few of them yourself, depending on the movies that were being shown and whether or not we throw in free popcorn, too – then please get in touch with me and vote "for" making it happen.

If you think movie night is not such a hot idea, then it's easy to vote "against" making it happen: just don't do anything. I'll take your lack of response as support for me taking the lazy way out and filing this project idea under "no further action required!"

THANK YOU

Thank you for your cards and prayers in the loss of my husband, George Stuchell.

DANCE, DANCE, DANCE

Everyone is invited to join the line dance class.

When: Every Monday at 9:30 to 11:00am

Where: At the clubhouse

Hearing Your Words

by Karen Post

“He listens to my needs and problems”, “I can go back to him anytime with any questions”, “delighted with the service and the personal interest that he gives”, “a willingness to listen and work with me” all of these quotes I found in testimonials from clients just like you.

I researched our testimonials in response to a question posed by a business mentor. He asked, “What is your business really good at doing? What do your clients love about what you do?”

Having been in this business for over 10 years, I was certain I knew the answer. We are really good at properly programming hearing aids. We have programmed over 1,200 with success. People have said time and again, how much better they heard after our programming. To be honest, I was kinda cocky about “knowing” what we did well.

Then the mentor said, “Go read all your testimonials and reviews, all of them. Even if you think you know what your clients have said about you, go back and read each one of them”

Two things humbled me. First was the volume of testimonials and reviews we have received from grateful clients, just like you. Second was the consistency of “he listened to me...”

I have a quirky sense of humor. The irony of a frequent compliment being “he listens” coming from people who can’t hear, gave me a slight chuckle. Then I recalled how Blair’s mom, MaryEllen, would vent her frustrations to Blair, since she knew he would listen.

If someone you know is frustrated with their hearing aids, and needs someone to listen and help, share our newsletter with them, or call us for a “listening” appointment.

FLORIDA ANCHOR AND BARRIER COMPANY

ONCE UPON A TIME

Once upon a time an old man spread rumors that his neighbor was a thief. As a result, the young man was arrested. Days later he was proven innocent. After being released, he sued the old man for wrongly accusing him. In court the old man told the Judge "They were just comments, they didn't harm any one." The Judge before passing sentence on the case, told the old man, "write all the things you said about him on a piece of paper." Then he said " cut it up in little pieces and on the way home, throw the pieces of paper out of your car window. Tomorrow, come back to hear the sentence." The next day, the Judge told the old man, "Before receiving the sentence, I want you to go out and gather up the pieces of paper that you threw out of your car window yesterday." The old man said, "I can't do that! The wind spread them all over the place and I don't know where to find them." Then the

Judge replied "The same way, simple words and comments may destroy the honor of a person to such an extent that a person will not be able to fix it. If you can't speak well of someone, don't say anything at all. Let's all be masters of our mouth, so that we don't be slaves of our words." Gossips are worse than thieves because they steal another person's dignity, honor, reputation and credibility, which are impossible to restore. So remember this when your feet slip, you can always recover your balance but when your tongue slips, you can never recover your Words.
