RON MILLER SAYS THANK YOU

Ron Miller wants to thank everyone that attended his birthday party in February. He especially wants to thank all those that fixed food, brought gifts, and cards. It was a wonderful celebration that everyone enjoyed. The DJ was really good. Everyone enjoyed those that got up to sing especially Ron and his granddaughters.

FROM THE PRESIDENT

Steve Rollison

“No Dogs” Rule?

A resident asked me this week, “Is it true that dogs are not allowed in the pool area? It’s posted in the clubhouse as a park rule, but can ELS enforce it?”

Yes, it’s a park rule, but more importantly it’s Florida law. Administrative Code 64E-9.004(4) states that no animals are allowed in the pool area, but that individuals with a disability and service animal trainers may be accompanied by a service animal, as defined in Chapter 413.08 of the Florida Statutes. No animals, including service animals, are allowed to enter the pool water.

These rules cover all public swimming pools, which according to 514.011 F.S. specifically include those in mobile home parks.

So Many Events...

A huge Thank You to all the hard-working volunteers who made the Super Bowl party a roaring success! A special tip of the hat to Janice Van Dyke and Trish Suit for the many hours of effort they contributed.

Kenny Nifong has good instincts about what people want. Or he's really lucky or is a good salesman. Whatever. In any case he got 18 people to show up on the first day of Thursday afternoons nickel-a-game shuffleboard league. Great turnout!

Which new resident used to live in Hawaii? Who crafts incredibly lifelike dolls and sells them online? Which New Jersey couple will be playing the piano for us? Another armed services vet... with previous ties to Venice? If you missed the Meet & Greet gathering there are lots of interesting things about our new residents you don't know. And you missed some good vittles prepared by Rosemary Baumgartner, Sylvia Richardson and Janice Van Dyke. (You also missed an interesting invitation from Janice to come to the Super Bowl party even if you're not a football fan – but you'll have to ask her about that!)

Who would have thought that placing the tables parallel to the walls instead of at an angle would make such a difference at the Valentine's Dance? Dave Baumgartner is getting credit for that idea, and it was a good one! More room to dance. More people able to watch the singers without turning their chairs around. And perhaps more diners served than ever before. Many, many thanks to head honchos Rosemary-and-Dave and executive chef Barb Hickey. The supporting cast of thousands (well, dozens, at least) got their kudos at the dance – and there were way too many to be able to list here! Fantastic entertainment, great food, and a wonderful time was had by all. As a nice side benefit we made a tidy profit on the night, too! (We'll

report the details at the March association meeting.)

Can you believe nearly sixty revelers showed up the evening after the Valentine's Dance for the second ice cream social of the year?! Dave and Helen Baker have the organizing down to a science now, so not a glitch or snafu was seen. They say it took hardly any work at all, but I think they must be lying. Anyway, if you were one of the sixty be sure to thank the Bakers for their time and energy if you haven't already.

If you blinked on January 13th you might have missed them. Yes, they were that fast! The flamingos came racing through the clubhouse to the delight of dozens of rabid \$1 bettors. Fans had such a great time they asked organizers Joyce and Ken Havens, Jane and Rod Van Buskirk, and BLE alumni Trish and Ron Suit to bring the flamingos back for another evening of racing in February. They weren't able to re-book the flamingos, but they did arrange a night of racing featuring the World Famous Dancing Cupids. Due to press deadlines, results of the first Cupids race ever held in Nokomis will have already gone down in the history books by the time you are reading this.

Solutions Not a Sales Pitch

As a dedicated hearing specialist, some of the most rewarding experiences are getting to hear the positive impact I have had on people's lives. Here is what Mr. Bridle had to say about his experience:

"I have worn hearing aids for a number of years, on and off. I say on and off because it has been off more than on with my most recent pair purchased from another provider in Venice. I had an annoying problem with feedback, which neither they nor another local provider were able to correct or alleviate. Both told me I should consider newer, more advanced models, which they would be happy to sell me. Since mine were similar, I felt they were more interested in making a sale than helping me. As a result, they wound up in my dresser drawer.

I decided to give it one more go. A friend referred me to Blair Post at Contemporary Hearing. What they said couldn't be done, was done by Blair.

No sales pitch on newer models; just a willingness to listen to and work with me.

After testing my hearing, he patiently worked with me to make adjustments to the programming. He also refitted the aids with new leads and cones. The ones I had were not sized or fitted properly and caused much of the feedback.

I was given a follow up appointment the next week at which time Blair fine tuned the programming and changed out one of the cones for another size. These were simple, inexpensive solutions to a fixable problem.

Although I was advised of charges ahead of time, no payment was collected until I was satisfied.

Although I found Blair to have an abundance of knowledge, patience and humor, his greatest attribute is INTEGRITY. He honestly wants to help. I would recommend Blair Post and Contemporary Hearing to any person desiring to improve their hearing."
