BIG Money

You've undoubtedly heard about "Bitcoin" on the nightly news, but did you know that Bitcoin has actually created more than 100,000 millionaires since it was created just twelve years ago in 2009? Surprisingly, it's not too late to get in on the Bitcoin juggernaut. **Even you** could afford to get started – no matter what your financial situation at present.

Don't believe me? Then consider this...

Bitcoin is often thought of as a "big money" investment, but that's just not accurate. While a single Bitcoin does cost nearly \$50,000 –you don't have to buy a whole Bitcoin. In fact, you can buy as little as ten dollars' worth of Bitcoin!

That's why I maintain that everybody can afford to get started investing in Bitcoin.

The real quandary is, "Why would I even want to get involved with Bitcoin to begin with? Could it actually make me a millionaire?"

If your entire investment budget is just \$10 then no, Bitcoin is not going to make you a millionaire. Your only hope of parlaying \$10 into a million is to buy a few lottery tickets.

So then, what kind of investment results might you reasonably expect with Bitcoin? The most honest answer is "nobody knows," but the most conservative estimate that I've seen from self-proclaimed experts is that a \$1,000 investment will grow over ten years to at least \$9,000.

By comparison, today's best \$1,000 CD would be worth \$1,200 to \$1,300 in ten years.

Continued on page 2

**WE ARE A SMALL COMMUNITY AND

 SPEED LIMIT 15**

The story doesn't end with Bitcoin, though. There are thousands of other cryptocurrencies currently under development. Many of these trade for well under a dollar – just the way Bitcoin did when it got started. (If you had invested \$100 in Bitcoin in 2009, it would be worth \$48 million today.)

If this information has you thinking about jumping on the bandwagon with a tiny investment amount, please heed the following advice.

- Proceed thoughtfully and carefully, but don't wait too long before dipping your toe in the water. All the large banks and many of the large “institutional investors” just began investing in Bitcoin in August, and that has already started driving the price up – again.
- Keep in mind that the price of Bitcoin is highly volatile. Suppose you invested \$1,000 and three weeks later the value of your investment dropped by half to \$500. Could you just shrug it off and say “That's okay. I'm in it for the long haul. I'm confident that in four years it will be worth a whole lot more than my starting \$1,000”?
- If not, then you need to start with a \$100 investment if you could shrug off a \$50 drop in value.
- Do not invest more than you could comfortably afford to lose – and invest for the long term. This is essential for dealing with Bitcoin's volatility. If you're going to let a 50% drop in value convince you to sell off your investment “so you don't lose everything”... you should not be in Bitcoin to begin with.
- The truth is, you could actually lose your entire investment – but that is extremely unlikely. On the other hand, it is very likely that you will have at least one huge temporary price drop while you watch your investment grow significantly over a period of years.

- Be prepared to have to learn how to use several new apps on your smartphone or computer. Crypto currencies have no FDIC (“Federal Deposit Insurance Corporation”) or SIPC (“Securities Investor Protection Corporation”) to protect your interests like there is for dealing with banks or stocks. It's up to you to employ appropriate technologies to protect your cryptos from computer hacker attacks.

This has been a long article, even by my standards! If you've read this far, you apparently have at least a minor interest in learning how to actually invest in Bitcoin.

Although I am definitely just a novice cryptocurrency investor myself, I have been thinking about creating a “class” for any Bay Lake residents who would like to learn about this new form of money.

If you want to be notified if/when I have something ready to share, send me an email (BLE@SteveRollison) or give me a call at (941) 375-8110.

Look What the Wife Dragged in..

Look what the wife dragged in, was the opening line from a new client. Karen burst out laughing and tried talking through her hysterics. It was one of those rare days when Karen was at the front desk.

You might think it was funny to Karen since it is a riff on what the cat dragged in, but it was funny since it brings to mind our theory that the only way to drag in a husband for a hearing test is to bash him over the head caveman style and drag him in. (We are not encouraging violence.)

Karen and Madge talked about how she was able to drag in her husband. To be fully transparent here, there was a threat of violence but no harm came to any husbands.

Madge owned up that she did threaten to suffocate him in his sleep if he didn't get this corrected and soon. Apparently, lack of breathing was the initiating factor in his decision to come in and see Blair for new options.

I would love to help all the wives who have struggled with husbands who don't hear well. I wish I had that one line, that recommended saying that could get him to make an appointment and get his hearing tested, unfortunately I haven't discovered what it is.

Although I have noticed that Karen is still searching for a line that can get husbands to do what a wife wants them to do, maybe she wants me to do something.

If your husband struggles to hear at the dinner table, you might suggest "pillow" therapy or he could set an appointment for a free hearing test and demo, 941-244-9300. Wishing you peace in your home.

LABOR DAY POTLUCK

Steve Rollison 941-375-8110

As announced last month, we'll be celebrating Labor Day this year with a community potluck.

Labor Day Potluck

Monday, September 6th at 1:00 p.m.

Sign-up sheets are in the clubhouse for both food and help.

- **Food** You can help others decide what kind of dish they're going to bring by jotting down what you're planning. Hopefully that will prevent us from having scads of desserts and no salads, or piles of potato chips and no side dishes. (Although that would be fine by some of us!)
- **Help** There are sign-up slots for setting up tables, Greeter, 50/50 sales, clean-up, etc. "Many hands make light work," or something like that.

As usual, the HOA will provide tableware, bottled water, etc. If you want something other than water or coffee, feel free to bring your own.

Why are we having a potluck this year instead of the usual ELS-sponsored fete for Labor Day?

Good question. Did you ever notice that 3 of our 5 ELS-sponsored events occur in the off-season when most snowbirds are not in the park to share the bounty? (Those 3 are Memorial Day, Independence Day, and Labor Day. The other two are Thanksgiving and Christmas.)

The board of directors decided to spread that out a little by shifting ELS's contribution to a January date. That will enable us to schedule a pretty good blowout for an important event – our **Meet 'n' Greet** affair. (That's when we **officially** have an opportunity to meet all the new folks who have moved into the park during the last year.)

Moving ELS sponsorship from September to January presents some challenges due to the way the company budgets expenses, but we received informal approval to do that during this year's rent negotiations.

RELAXING BREAKFAST POOL PARTY

Steve Rollison 941-375-8110

On August 8th a dozen or so residents gathered at the pool for a relaxed mid-morning breakfast.

A variety of breakfast casseroles and bowls of fruit dominated the menu, supplemented by cinnamon rolls and other sweets.

The weather was blessedly rain-free, but even at 10:00 a.m. the sun was brutally bright and the temperature was oppressively hot. In the future we might want to consider scheduling these events as “clubhouse potluck followed by community pool party.”

Our thanks to all those who participated in another successful get-together that combined great eats with even better fun and fellowship.

BINGO IS BACK

Bingo never stopped at Bay Lake this summer; it just slowed down. Bingo was held one night each month – June, July and August –in the clubhouse. This new approach was implemented by coordinator Miriam Davidson to stave off the effects of bingo withdrawal!

Now that summer is all but over, weekly bingo is returning. Grab your calendar and mark the second Wednesday in September – **September 8th** – for the big kickoff.

The schedule will be the same as last year: every Wednesday starting at 7:00 p.m. Be sure to arrive at least 15 minutes early to purchase your cards (and daubers if you need them).

Any questions? Call Miriam at (941) 303-6923.

THEY'RE BAAACK!

Steve Rollison 941-375-8110

Barbara and Sheldon Ludwig have joined the “boomerang club.” They moved out of Bay Lake Estates a few months ago, and not much later changed their minds. Yes, they are Bay Lake residents once again!

But that’s old news. You already knew that – right?

You did know that already if you’re an Event Alerts subscriber. That’s because an Alert went out on August 9th, inviting you to stop by their place and pick up any of the household stuff the previous owner left behind.

You know about the Event Alerts – right?

They are **short** “blast” e mails sent out whenever there are news items, announcements, events or activities you’d want to know about. The Bay Laker Newsletter is great, but like **any** printed information, it’s pretty much out of date by the time you pick it up.

Alerts are **the best** way to stay on top of things at Bay Lake.

If you’re not already a subscriber, becoming one couldn’t be any easier. Just send me a request at:

EventAlerts@SteveRollison.com

A brief “Please subscribe me,” along with your name, is all you need to send.

JULIETS LUNCH

Helen Baker 309-830-8449

The Juliets will meet for lunch on Thursday, September 9th at 1:00 p.m. at Pop’s Sunset Grill. All Bay Lake Estates women are welcome. Sign-up sheets are in the clubhouse. Call Helen with any questions.

HOME OF THE MONTH

A pat on the back to Ed Brickfield on the selection of his residence at 215 Flamboyant Street as Home of the Month.

While Ed has upgraded his landscaping with plants and mulch, the most attention-grabbing feature of his place continues to be the palm tree growing in his front yard at a gravity-defying angle. Drive by and see if you can figure out how it keeps from falling over under its own weight!

Be sure to thank Ed for helping to maintain the attractiveness of our park, and congratulate him on his Home of the Month recognition and \$50 Lowe's gift card.

IT'S PARTY TIME

Michael Kloian 912-547-2416

Not quite, but soon enough. We are planning a Halloween bash for Saturday, October 30th at 6p.m. with music, dancing, karaoke, and food. Costumes are optional, though we will have several prizes for the three best and most original costumes. Look at the clubhouse for the sign-up sheet starting October 1st.

This is a free event for BLE residents and \$5 for guests who would like to attend. Thus far, the menu will be sloppy joes (homemade), macaroni salad, potato chips and deviled eggs. BYOB.

...OF A CERTAIN AGE

1. **My goal** for 2021 was to lose just 10 pounds. I have 15 to go.
2. **Ate salad for dinner!** Mostly croutons & tomatoes. Really just one big, round crouton covered with tomato sauce. And cheese. FINE, it was a pizza. I ate a pizza.
3. **How to prepare Tofu:** A- Throw it in the trash. B- Grill some meat.
4. **I just did** a week's worth of cardio after walking into a spider's web.

THE ROMEOS BREAKFAST

Steve Rollison 941-375-8110

All gentlemen living in the park are encouraged to join the very informal **ROMEOS** group. ROMEOS is an acronym for “Retired Old Men Eating Out,” and as that implies we are a purely social group that is highly focused on a single activity: chowing down!

We meet every other week at a local restaurant to enjoy a meal and each other’s company. Particularly if you’re new in the park, it’s a great no-stress way to get to know a few of your fellow Bay Lakers.

You’ll pretty much hear two distinct sounds at a ROMEOS breakfast:

1. Loud, good-natured ribbing accompanied by boisterous laughter.
2. Near total silence once the food arrives!

The ROMEOS meet on alternate Tuesdays at randomly chosen restaurants. We generally try to carpool, and leave the park around 8:45 a.m. Give me a call to see where we’re headed next and to let me know if I may set you up with a ride.

CONDOLENCES

Linda Sardo

Early this month we lost another past resident of Bay Lake Estates and personal friend of mine. Linda passed away on August 3rd leaving behind her husband Joe, her children and her beloved grandchildren. Linda and Joe lived here in Bay Lake Estates for several years and moved out to be closer to their grandchildren. Some of you may remember her husband Joe as a member of the Funky Monkey Band.

Linda was a sweet soft spoken woman with a powerful ability to manage many things at the same time. She was a trained LPN and a private nurse. But in her so called retirement

years she worked as a lunch lady, a Sunday school teacher, a daycare provider, a petsitter and in a nursing home. Most of all she loved taking care of her grandchildren.

Linda will be truly missed by all her friends and family. May she Rest in Peace.

WHY FLORIDA?

Steve Rollison

These bumper stickers say it all!

-
- Some call it Florida, I call it heaven.
- In Florida, we salt margaritas, not sidewalks.
- I hate having to wear my sunglasses and flip flops in December... said no one ever.
- A bad day in Florida is still better than a good day anywhere else.
- Some people smile in winter. They live in Florida.
- Gone to Florida, be back never.

BAD DOG? NOPE...

Steve Rollison 941-375-8110

Residents have reported seeing at least one dog running loose in the park – not appearing particularly aggressive, but definitely being an aggravation and a nuisance by defecating in residents' yards.

Does this behavior make the animal a “bad dog”?

Well, you can't blame the dog for doing what comes naturally – especially if it hasn't been properly trained. I contend that such behavior indicates instead that there's a “bad owner” involved.

Some residents have claimed that the owner of the observed dog lives in our park. Frankly, I doubt if that's true because Leslee Jones, our Park Manager, goes over the rules with every new resident. I'm confident she always emphasizes that dogs must be kept on a leash at all times, and that their owners/walkers must carry plastic bags to pick up after their pets immediately.

Besides that, anyone with a lick of sense knows that the surest way to infuriate your neighbors is to let your pet run loose and crap in their yards!

It is **not** Leslee or maintenance man Mark's responsibility to chase down dogs running loose in the park. You shouldn't do any chasing either, unless you want to get bit!

The appropriate action to take if you spot a loose dog is to call the authorities. Call immediately so their odds of catching the dog increase.

**Sarasota County Sheriff's Office
Animal Services Section
(941) 861-9500**

Please don't call them “the dog catcher,” even though that's a part of what they do. Their main desire is to reunite lost pets with their owners, but they're also responsible for handling nuisance complaints, animal bites, injured animals and animal cruelty.

They're also responsible for issuing related citations. Here are the maximum fines for the behavior noted above. (These fines apply to both dogs and cats.)

- Pet running at large – \$200
- Failure to pick up animal's feces – \$300

Most people don't know how big Sarasota County's fines actually are. Here are some other maximum fines – again, related to both dogs and cats.

- Failure to vaccinate – \$300
- Failure to license – \$200
- Abandonment of animal – \$300
- Failure to register a dangerous/vicious animal – \$400
- Failure to report new owner of a dangerous/vicious animal – \$100
- Failure to cage animal riding in the back of a truck – \$200

If you spot a dog running loose, please call the Sheriff right away. It's understandable if you "don't want to cause trouble," but it's important to do the right thing. In this case, "the right thing" is calling the Sheriff. If the animal is lost, the Sheriff will try to find its owner. If the owner is acting irresponsibly, the Sheriff will try to turn around his/her behavior by issuing a significant fine.
