A FESTIVE MEET & GREET

The events of 2021 had a major impact on our park. Eight of our residents passed away. With the border locked down, some of our Canadian friends simply gave up and sold their Bay Lake homes. Some American snowbirds have similarly sold their homes here.

All told... sixty Bay Lake Estates homes sold in 2021!

That means the park has many new residents who haven't yet had much of a chance to learn how friendly a place Bay Lake is – or to learn about the wide variety of benefits that living here brings. **That's going to change on SUNDAY, JANUARY 23RD!**

On that date the homeowners association is sponsoring an over-the-top Meet & Greet event, free to all residents. The fete will include a chili cook-off (won the last time by then-new-resident Inga Baughman!), hors d'oeuvres, and wine, beer and soft drinks.

We'll have greeters to make introductions, information on the variety of activities and support services available to residents, and a very brief presentation on the many benefits of HOA membership.

The most common utterances heard at the last Meet & Greet were...

- I didn't know that!
- Really? That's my home town, too!
- You mean somebody will fix my computer for free?!!
- A few of us get together every Thursday to do that. You ought to join us once in a while.
- I didn't know that!

Some of the details were still being worked on as this article went to

NOT FUNNY – I APOLOGIZE

Steve Rollison 941-375-8110

Last month I submitted three jokes to this newsletter that were inappropriate. At the time I thought they were so ridiculous that they were funny, but in retrospect I see that many people would find them hurtful.

I assure you that there was no malice and no racism involved; in my family there are native Mexicans that I grew up with.

It was a mistake, an error in judgment, and I apologize to everyone I offended.

BRIDGE

Karen Limkemann 734-890-9229

Wanted: More Bridge Players.

We have come to the conclusion that if we want more Bridge players we need to teach more people how to play. If you like playing cards, you will love playing Bridge.

Why would you want to learn to play Bridge? It is a game that offers intellectual and social stimulation. Research suggests Bridge players must use memory, visualization and sequencing, therefore, playing Bridge can help us as we age to retain and improve our mental acuity.

One of the strange side-effects of playing Bridge, studies show, is that the area of your brain that is used and stimulated while playing Bridge is that same area of the brain that is suspected to stimulate the immune system. What a great side effect!

Some people believe that playing Bridge is like playing a sport. But unlike other sports that you may grow out of or get too old to play, Bridge is just the opposite. The older you get, the better you get, and, you can never be too old to play.

Bridge is a game that you can pick up at any age and spend the rest of your life learning to master.

So, if you think you might want to learn or maybe just take a refresher class, let me know. Hopefully we get enough interest to set up a group of beginner players.

We will be meeting on Friday, January 7th at 1:00 p.m. in the clubhouse. Come join us!

EUCHRE

Now that we are all feeling a little safer, it's time to start up our Friday night Euchre games. There is a sign up sheet in the club house. It's a fun, quick, and an easy card game. The more players we have the more fun it is. Time: 7:00 p.m.

ROOMMATES

I have been asked to post an article for roommates this month. So many changes have taken place over the past year or two and some residents have approached me regarding the best place to match a person that has space and is looking for a roommate to another that may be looking to rent share someone else's home.

FOOD COLLECTION

Karol Ann Nickerson 813-464-0648

Please bring cans and boxes of non-expired food to the collection box on the side of the stage in the clubhouse.

All collected food items such as; canned goods, pasta, rice, dried prepared boxed foods, peanut butter, jelly and other non-refrigerated jars of food are appreciated and distributed to those in need by the Salvation Army on Albee Farm Road.

I don't know if the newsletter is timely enough because of the delayed time in writing it and getting it delivered to you. So this is a trial run. At this time, we have one current resident looking to rent share in someone else's home.

Janet Ouellette (763) 545-2303 is considering rent/sharing in someone else's home. Please call her if you are interested in obtaining a roommate to discuss the details.

2022 HOA MEMBERSHIP ON SALE

HOA memberships for 2022 are now on sale for \$10 and can be purchased at Association meetings, Wednesday Bingo (see Steve Rollison) or by contacting Rosemary Baumgartner (419) 215-4733 or Stephen Medich (708) 921-3367

The purchase of an HOA membership helps support our park activities and your support is very much needed.

If you are looking to take on a roommate in your home or if you are looking to share space with someone in their home, send your info to me at editor@baylakeestates.org and I will get it posted in the newsletter. You will be able to discuss the details privately with each other to find the best match for you.

You may also consider posting the info on a card on the bulletin board in the clubhouse.

THE JULIETS BREAKFAST

Rosemary Baumgartner 419-215-4733

On Tuesday, January 18th at 9:30 a.m. the Juliets will meet at Word of Mouth, 1740 E. Venice Ave. in Venice for breakfast. All Bay Lake Estate women are invited to attend. There is a sign-up sheet in the clubhouse.

JULIETS LUNCH

Helen Baker 309-830-8449

The Juliets will be going to Eggs-Traordinary Cafe for Lunch on Thursday, January 13th at 1:00 p.m. All Bay Lake Estate women are encouraged to sign up in the clubhouse and join us for lunch.

THE ROMEOS

Steve Rollison 941-375-8110

The size of our Romeos breakfast group continues to grow, making breakfast together just that much more fun. Last Tuesday we had 16 breakfasters!

Tim Swain has been doing a great job coordinating sign-ups, restaurant reservations, etc.

Schedule Change. In order to eliminate conflicts with the monthly association meetings, the Romeos are changing their breakfast schedule to **the 2nd and 4th** Tuesdays. We leave Bay Lake at about 8:45 a.m. – whether our restaurant is just around the corner or up in Sarasota.

All gentlemen living in the park are encouraged to join us.

ACCIDENT AT OFFICE BUILDING

Donna Pfeiffer

Residents may be wondering what happened to the office building with the partial construction material visible on the right front corner. There was an unfortunate auto accident that left quite a bit of damage to property. Thankfully no one was hurt.

I have heard this scenario many times. Sometimes it is serious and sometimes it is just a hiccup event. This time was rather serious regarding property damage. The scenario: Accidentally putting the car in reverse or drive when it should be just the opposite and stepping on the gas. Or sometimes it happens when someone steps hard on the break only to realize they hit the gas pedal instead. I have heard of people accidentally crashing through their garage door when they were expecting to leave their driveway. A bit of a shock for the driver and witnesses, I am sure.

That is what happened to the Bay Lake Estate office

building. Someone accidentally had their auto in the wrong gear, pressed on the gas and crashed into the corner of the building instead of exiting the parking space. We are all very thankful that there were no physical injuries involved and the building can be repaired.

It must have been quite upsetting to those in the vehicle, the office and the witnesses. For the courtesy and compassion for the driver, we are not posting any names or photos. We send our blessings to all concerned.

Please be alert and drive safely. Accidents happen and we all want to avoid them whenever possible.

INVESTMENT CLUB

Karen Limkemann 734-890-9229

About 17 years ago I joined a women's investment club. It made a big difference in my life. I learned how to look at stocks and how to invest money. After a few years I got brave enough to make my own investments. I became confident enough to take my retirement account away from my financial adviser (and did a lot better than he ever did).

We started an investment club right here at Bay Lakes and we're always looking for new members. Members put in \$50 a month and we pool the money and buy a stock. It is a continual learning experience. We appreciate people who know something about investing and also welcome people who know nothing about the stock market, but want to learn. We teach each other.

Come and check it out on the second Thursday of the month in the club house at 3:00 p.m., which falls on January 13th this month. You are welcome to attend for free without any commitments and ask questions to see if it is something you might be interested in joining. If you do decide to become a member we ask for at least a year's commitment.

Even if you are a snowbird, you can still meet with

us online while you are away. I still meet with my club back home on zoom when I am in Florida.

Being in an investment club makes watching Jim Cramer's Mad Money show a lot more fun.

WHAT'S GOIN' ON?

Steve Rollison 941-375-8110

What's the best way to stay on top of everything that's going on at Bay Lake Estates? There's only one possible answer: our "Event Alerts."

What exactly are the Event Alerts, you ask?

They are **short** "blast" e mails sent out whenever there are news items, announcements, events or activities you'd want to know about. The Bay Laker Newsletter is great, but like **any** printed information, it's pretty much out of date by the time you pick it up.

Alerts are **the best** way to stay on top of things at Bay Lake.

If you're not already a subscriber, becoming one couldn't be any easier. Just send me a request at:

EventAlerts@SteveRollison.com

A brief "Please subscribe me," along with your name, is all you need to send.

IN MEMORIAM

RON TURK

On November 21 a much beloved former Bay Lake resident, Ron Turk, passed away peacefully in his sleep.

Ron may have been one of the most gregarious men to have lived in the park in a long, long time. Whether it was partying in the clubhouse, swinging a club on the golf course with the league members, eating breakfast with the Romeos, Ron was rarely in his seat. He was constantly making the rounds – and it didn't matter if the last time he saw you was three months ago or three days ago – he was headed your way to ask what you'd been up to and what you've been doing for fun lately.

Apparently this was a life-long character trait, too. A number of years ago his "big brother," Ed, told me stories about Ron in his high school days

– and how he was always running around with his buddies, trying (but rarely successfully!) to stay out of typical teenager trouble.

Our sincere sympathies go out to Ron's family, including Carol, their three children, nine grandchildren, and one great granddaughter.

Ron's obituary can be found online at IndyStar.com as well as FlannerBuchanan.com.

Love My Hearing Aids

Being a small business owner it is important for us to know how clients find us. Whenever a new client comes into our office we always ask, how did you find us?

During the shutdown due to covid the majority answered "online" since there weren't any gatherings.

Now that we are able to get together we are getting more referrals from existing clients. They tend to say, 'my neighbor said I wasn't hearing well and should see you.'

My favorite this year came from Betty. When asked, how did you find us, she said I overheard my friend, Shirley say she loves her hearing aids. That is a direct quote.

Betty explained that other people complain about their hearing aids, especially when trying to understand conversations in groups. Yet, Shirley was in a line dancing class and while talking to another woman said, "I loved my hearing aids."

Hearing someone say they love their hearing aids, Betty knew she had to check it out. Betty walked over to Shirley and asked, who helps with your hearing aids?

When I heard the story I was thrilled to know how well we had fitted our client Shirley. Knowing that Shirley is able to be social and hear with confidence is our intention.

Our goal is to help clients hear well in groups. To know that we helped Shirley hear well in a dance class and so well that she shared how much she loves her hearing aids. This is such a great testimony for us.

If you struggle to hear conversations clearly in crowds, call for a free demo of hearing aids, ones that you might even love.
