THE PRESIDENT’S CORNER

Jane Ann Miller 419-280-1054

I would like to extend a huge thank you to everyone who has taken time to get involved with any or our various committees, events, or projects. You all are appreciated more than you know.

Even though this article is being written before the Meet and Greet, I hope that everyone had an enjoyable time. I also hope that our new and current residents have made some new friends.

Our annual HOA meeting will be held April 5th 2022. Your new board will take office under new business. The new board is listed on the front page of the newsletter with phone numbers. Feel free to call anyone of us with questions, concerns or some new ideas. We may not have all the answers, but we can find out. And please be patient with us--as we are all learning our jobs, but one thing is for sure, we all want what is best for our community. We are already discussing and planning for 2023.

Hope each and every one of you has a blessed Easter Holiday.

For those getting ready to go North, don't forget to get a departure slip from the office. This will help Leslee with updated information, to contact you if needed when you are not here.

BAY LAKE FRIENDS – RUMMAGE SALE

Marian Brooks

THANK YOU, THANK YOU, THANK YOU to ALL the people who helped with the RUMMAGE SALE!!

With everyone's participation we were able to pull it off once again. Everyone just **quietly** does their part (except for Jane Ann, and we don't want her to be quiet) and it all comes together.

As we age, there are more and more issues, from backs to ankles, arms, feet and even eyes. We heard it all this week, but noticed they were the first people to help out.

Thanks to our shed unloaders. (Ron doesn't even live in the park anymore, but is still one of us.) From our sorters of mounds and mounds of clothing, to the

delicious baking for our crowds, our tireless men on computers and electronics, our outside garden girls who brought in a huge amount of money. Thank you also to our jewelry and art guru for her extra cash gathering, to our ladies who had an inordinate amount of pricing and unpacking in the dishes department, to the linen ladies who got to work with beautiful quilts and bedspreads and table cloths, to the Christmas lady who also had to deal with the cat and dog toys; and to the happy man behind the camping supplies. Then there were the shoe and bag ladies. Wow! There was one bag that they kept shunning. It was lovely but did not belong. It returned to them at least three times. The 2 matching left shoes were nice but they did not sell well. And to the people at books and puzzles, Good job!

Thanks to the new people who stepped up to the plate. Welcome again! To our ticket sellers faithfully keeping the pace, thank you. And to our in-house winner, Great! Thank you to our wonderful announcer, who kept us going when tiredness set in. Thanks to our coffee makers and donut haulers, and to our hot dog griller. They were delish. (Some workers went without because several hot dogs were taken by unentitled persons.) To our taxi drivers and traffic people who greeted our customers when they arrived and made them feel welcome. Also, thanks to our advertiser, who put the ads in the newspapers. To the people who placed these signs in other clubhouses and to those who erected signs and removed them all over Venice and Nokomis. To our esteemed treasurer who just kept counting all by himself, no shopping for him! Then there was the man, Steve Rollison, who went above and beyond as he always does, working tirelessly, for our collective benefit.

ANOTHER ONE IN THE BOOKS FOLKS, SEE YOU NEXT YEAR. The HOA needs your donations. Let's fill up the shed!!

WOW – WHAT A PARTY

Dave Eungard

I would like to thank all you wonderful people who made my “surprise” birthday a day that I will always remember. It was so good to see my sons, grandchildren, my sister, Sandy’s brother and wife, my niece and husband and of course my Bay Lake friends.

Thank you all for the cards, lottery tickets, golf balls, pen in case and other miscellaneous gifts, Oh and also my “Dick” mug, LOL.

The food was delicious and thanks to those who prepared it. It was so exciting to have “Marilyn Monroe” sing Happy Birthday to me. All in all, I thank you from the bottom of my heart.

A special thank you to Sandy and all who made it happen. Sandy wanted me to give a special thank you to Steve Rollison for sending out the alerts and notices about the “surprise party” to all the Bay Lake residents (except me)...And WOW what an 80th Birthday party!!!

IN MEMORIAM

Michael Parisi, Jr. 1930-2022

Our good friend, Mike Parisi, went to his eternal rest on March 11, 2022. Our deepest condolences go out to his family and dear friends.

Mike was born on August 31, 1930, in Providence RI, the youngest of 10 children of Sicilian immigrants Michele S. Parisi, Sr. and Antonia Ragno Parisi.

Mike was known by all in Bay Lake Estates for his pleasant disposition, smiling face and for his singing in our chorus and whenever we could encourage him to sing us a song. Did you know he once sang at Carnegie Hall?

Mike is survived by his five children: Michael and Joanne (Bordman), Ronald and Marguerite (Royer), Debra and Jeffrey Sykes, Jacquelyn and Harold Jarvis, and Thomas and Laura (Royer), as well as 10 grandchildren and 18 great-grandchildren. And he was predeceased by his beloved wife of 58 years, Betty, as well as two great-grandsons: Kalib Parisi and Brock Sykes.

Mike will be laid to rest with Betty at the Sarasota Memorial National Cemetery on Thursday, April 7, 2022 at 11:00 am. Services are being finalized.

In lieu of flowers, the family requests donations to the Harry Chapin Food Bank of Southwest Florida 3760 Fowler St, Fort Myers, FL 33901

You will find Mike's complete obituary online at Farley Funeral Home

- Someone posted that they had just made synonym buns. I replied "you mean just like the ones that grammar used to make?" I am now blocked.
- Dear paranoid people who check behind their shower curtains for murderers... if you do find one, what's your plan?
- The more I get to know people, the more I realize why Noah only let animals on the ark.
- Facial recognition software can pick a person out of a crowd but the vending machine at work can't recognize a five dollar bill with a bent corner.
- I never make the same mistake twice. I do it like, five or six times, you know, to make sure.

Best of Venice

I want to say thank you, to everyone who voted us for the Best of Venice awarded by Venice Gondolier.

I appreciate all my clients over the years who have supported me and took time to vote for all the various awards.

Your support and continued encouragement have resulted in us being awarded Best of Venice, multiple years as both winner and finalist, Reader's Choice multiple years, and Small Business of the Year.

I am proud to have consistently offered service that is recognized by you and honored to receive so many awards over the years that our wall of awards has expanded onto another wall. Thank you for entrusting me with your hearing, I am glad I earned your respect.

Every day I hear stories about how hearing problems have interfered with enjoying life. I've always had one mission, to help everyone who comes to me to hear their best and engage in life.

Fifteen Years ago, I opened my office and chose to treat all my clients as if they are family.

Twenty-two years ago, when I chose this profession, I was inspired by my mother MaryEllen. She was already wearing hearing aids due to an ear surgery.

Back then I was new to the industry and was not fully aware of how all the technology worked. As my ability grew, I noticed that the aids my mother was wearing were not the best for her needs. She was very social and would benefit from better technology. For her level of activities, she was not hearing her best.

If she was still with us today, I know she would also be celebrating all the people who have been able to engage in their own life with more ease and better understanding.
