### THE PRESIDENT'S CORNER

Jane Ann Miller 419-280-1054

The end of the snow bird season is here for many of us. Ron and I are still here, I thought we were leaving before now, but this beautiful Florida weather is hard to leave.

At our last meeting I tried to incorporate all those that have contributed some kind of service to our community. So again I am extending a huge thank you to all of you that have given their time to help make our small park a better and fun place to be. And if I had to mention names I know I would forget someone and don't want to do that, plus it would take up the space of this entire newsletter. You are all very much appreciated!!

I do need to mention a name of someone who has provided a lot of time in providing us with an excellent newsletter each month and that is our current editor Donna Pfeiffer. Thank you so much for your years of service doing this, it has been very much appreciated. With that said Donna is currently working with Michael Kloian, who has stepped up and will be our next editor of the newsletter. Thank you so much Michael, we look forward to reading and appreciating your work as well. Both are wonderful assets to our community.

Our new resident list for this year is multiplying fast. We are in planning stages for next season, but always welcome new ideas and suggestions. Fellowship at Saturday morning coffee at 9AM is always a great place to start meeting people. During the summer I have been told that you can bring your own cup of coffee and start your day meeting new people.

Again I hope you all have an enjoyable summer, I will miss you all, but look forward to returning and meeting some new people. Stay healthy !!

## **PASSING THE EDITOR'S**

### **BATON**

*Donna Pfeiffer 941-586-2812*

April 2019 was my first edition as editor for the Bay Laker Newsletter. It has been a way for me to volunteer some of my time back to the community since my health keeps me from being able to commit to helping at scheduled events. I could not have done it without you and other residents sending in their articles and the occasional photos of events. Thank you for helping me add the news to the newsletter every month.

It was quite a challenging task during the long pandemic when all clubhouse events were halted. But together we managed to add recipes, jokes, puzzles and other interesting articles to read while we were all, for the most part, kept from our normal social activities. We had absolutely NO events to publish.

Alas, like all things in life, there is a time for change and this is the time for me to pass the baton. I would like to welcome Michael Kloian as

the new editor of the Bay Laker Newsletter. Michael has been a contributor of articles over the years and now he has volunteered to add his own style to this and upcoming newsletter editions for all of us at Bay Lake Estates. Thank you, Michael for stepping up and seamlessly taking and running with editor's baton.

I wish you and all the residents of Bay Lake Estates the best and look forward to reading the future newsletter editions. I am confident the Bay Laker is in good hands.

## **FROM THE EDITOR:**

*Michael M. Kloian (912) 547-2416*

I'd like to extend my sincere thanks to our HOA president, Jane Ann Miller, for appointing me with the position of Editor for our Bay Laker newsletter. I do recognize this is an important role for the BLE newsletter. I'd also like to thank Donna Pfeiffer for assisting me with this transition.

As your new editor I want everyone to know this is not a one-person job. I will depend on others to submit an occasional article or two of interest to share with our readers. In the past, our newsletter may seem to lack an array of articles, compared to other newsletters I've seen.

NEW COLUMNS coming soon. I would like to implement a new column or two. The first one is simple – 'Where to Dine, What to Order' (coming soon). Since I hang out at our beautiful pool several times a week, I find that many folks talk about their favorite restaurant, so this should be an easy task for all. I felt this column is needed since we have many new residents moving into BLE each year and these people may be at a loss as to where to dine or what to order.

The second new column is: 'Miracles Do Happen'. (Coming soon). If you, or someone you know close to you, like immediate family, has experienced a miracle in their life we want to share

that miracle with our readers. Although miracles may be a rare phenomenon they really do happen. I plan to start the column soon with a miracle that occurred in my family. If by chance your article is lengthy (like I'm accused of writing all the time) I may split your article in half and continue that article in the following month's newsletter. If your article is short then I may include two articles into the column.

To submit an article, simply type something up in an email and send it off to: Editor@BayLakeEstates.org. Please add the word "Newsletter" in the subject line.

I will take care of the rest. No need to worry about spelling or formatting. If you take a picture with your phone that you would like to submit for the newsletter, send it to me in an email with a little note of explanation. Or if you don't know how to do that, simply text it to me at (912)547-2416.

I would prefer not to receive handwritten articles, since that requires me to type it up into a digital document before I can edit them. So I greatly appreciate your emailing efforts. If you must submit a handwritten article, I will take them. But, please drop them off in the afternoon or early evening and NOT in the morning. Please, do your best to email them instead. Thank you!

**Deadline:** Must be received by the 12th of the previous month.

Remember you can read the Bay Laker Newsletter online at BayLakeEstates.org. There you will find links for the current and past newsletter editions.

Please note: ALL articles and submissions will be edited and may be censored for remarks or comments that residents may find offensive. We strive towards a newsletter that represents our compassionate, loving community that is all inclusive to all current and future residents. If by chance you read something in one of our newsletters that you find offensive, please don't hesitate to contact me, the editor, to discuss your concerns for future newsletters.

Our recent google review shares our client's experience learning how well Blair is thought of by clients and manufacturers. We strive to provide service that supports you in hearing your best, and this review shows off how well we have been doing that for years.

Google Review: J. Kostbar 1/8/2021

★★★★★ *I have now gotten my 3rd pair of hearing aids from Blair Post. I wanted to share a story with you about how well thought of Blair is, literally nationally.*

*As part of the process of setting up my new hearing aids, Blair had asked me to bring in my Resound streamer boxes and he would link them up. Upon getting home, I was plugging them in and broke a little door piece on the back of one and thus the cord would not stay in the box.*

*I phoned Resound Customer Service and spoke with an Agent based out of Minnesota. He asked me who sold me my hearing aids.*

*When I told him Blair Post and Contemporary Hearing he knew right away who Blair was. I asked him how in the heck he could know Blair in our little town of Venice.*

*He told me that he deals with 3000 plus hearing aid providers on behalf of Resound and that he has had so many calls through the years from patients of Blair who just rave about him.*

*He told me that he fields so many calls every day, from people that are dissatisfied from their providers. Quite an amazing story, almost unique....so I just wanted to share it.*

*And PS, I would certainly recommend Blair and Contemporary Hearing to anyone.*
