## THE PRESIDENT'S CORNER

Jane Ann Miller 419-280-1054

Good Day Everyone! I hope you all enjoyed the Fourth of July luncheon sponsored by ELS and organized by Carla Hannay and her committee. Unfortunately, I did not attend because I forgot to sign up in time. I was later told that several people who signed up did not attend, leaving empty places at the table. Here's an idea for the next ELS sponsored function which will be Labor Day: If you miss the sign-up date, notify the Event Chair, which, for Labor Day, is Michael Kloian, or myself (his assistant) and we will put you on the waiting list. Those who have signed up and find they cannot be there, call and we will remove your name and notify the next person in line. Sounds like a plan? Let's give it a try.

Congratulations to HOME OF THE MONTH recipients, Bonnie and Rudy Heintz at 37 Orange Blossom Street. Thank you to all our residents for keeping their front yards looking so fine. My walk around the Park is always a pleasure.

Attention Vets! The Veterans Club of Bay Indies has extended an invitation to all our Vets, spouses and friends to join their Club. The next formal meeting is, on Sunday, September 11th at 4pm in Indies Hall. Following the meeting is a Pot Luck supper. The contact person is President Bill Capozzi 518-786-0302. You can also check the web site: Veteransclub.net. I will leave a list of August events in the clubhouse. Joyce Martin, Vice President 941-451-1624

## **FROM THE EDITOR**

Michael M. Kloian (912) 547-2416

By the time you read this, July 4th (Independence Day) will be weeks behind us. I want to tell you about a special that aired July 3rd on the History Channel titled “*America The Story of Us.*” This docudrama took the viewer through the late 1800’s, the period of inventions, the creation of steel, the making of the Model T and the creation of the assembly line that forever changed the world. Then brings us into the 1900’s, where we witness the sad, and unnecessary, end result of prohibition (the bootlegging days of the mob, including the Valentine’s Day massacre), the outcome of “The Great Depression” and into the age of prosperity for all of America when we rebuilt roads, bridges, the Hoover Dam, etc. What I enjoyed most about watching this special program was we learn how great America really was, and is today. We are a resilient people who, when necessary, unite as one. We banded together to fight the enemy on both fronts (WWII) and we prevailed.

Independence Day is not about an alien spacecraft bent on stripping earth of her natural resources but the opposite. Independence Day began shortly after the Revolutionary war when America won her freedom from British tyranny. No doubt we are pioneers, trail blazers and we will always fight for America’s freedom.

This presentation was spectacular. I’d watch it again.

## **SUMMER BINGO**

*Linda Wood (802) 254-0712 or Herb Van Dyke (941) 483-1043*

Bay Lake Bingo is on its summer hiatus until September, but die-hard bingo fans can't wait that long. And now, they won't have to!

On July 20th and August 17th (the third Wednesday each month) "Summer Bingo" will pick up the slack. Arrive by 6:45 p.m. to get your cards and grab a seat.

Games will be pretty much the same as usual, with maybe a few twists thrown in to keep things interesting. A couple of new patterns and no Magic Ball, but the Surprise and Speedy games will probably remain.

Beginning in September bingo cards will increase from \$5.00 to \$6.00.

## **JULIET'S BREAKFAST**

*Rosemary Baumgartner 419-215-4733*

Once you sign up it would be appreciated if you need to cancel, then please tell someone. The restaurants reserve space for these events and it would be rude if 18 people sign up and only 10 show up.

The Juliet's luncheon will be on August 11th at Café Venice at 1:00 pm. The address is: 101 W. Venice Ave. in Venice, 34285. There will be a sign-up sheet at the clubhouse. Any questions, please call Helen. Please use the sign-up sheet in the clubhouse.

## JULY 4TH LUNCH

There were about 40 some people in attendance for the free, July 4th lunch. Thank you ELS for your continued support.

Special thanks to Carla Hannay who put this fabulous lunch together. Catered by Gold Rush BBQ, the pulled pork was perfect, the mac and cheese creamy, delicious corn bread and a side dish of baked beans. Carla recognized each and every volunteer who pitched in to help serve, clean up, and cut the cake. We sang a few patriotic songs and Carol Gilcrest gave thanks for the food. George Dujanowicz was spectacular on the piano (he plays better than Liberace).

## FLAG FLYING

It's perfectly okay to fly a flag in front of your home with your country of origin colors. If you fly the US flag and your country of origin flag, please remember to fly the US flag above your country of origin flag, as per the office.

## LABOR DAY LUNCH 1:00 P.M. – 2:00 P.M.

*Michael M. Kloian 912-547-2416*

On Monday, September 5th at 1:00 pm – 2:00 p.m. I will host the BLE Labor Day lunch. The sign-up sheet will be at the clubhouse on Monday, August 1st and will be removed on/or around Tuesday August 30th.

I will be making grilled cheese sandwiches on the cast-iron griddle in our clubhouse kitchen with Artisan bread, clarified butter lightly brushed on one side, Muenster cheese, Smoked Gouda & White Cheddar cheeses. I may include a slice of tomato on some sandwiches or serve them on the side as an option. Tomato soup will be served with freshly chopped basil leaves, potato chips, potato salad and dill pickles on the side.

You don't need to be here exactly at 1:00 since I prefer making fresh-made grilled cheese sandwiches for everyone who attends. There is limited room on the cast-iron grill as to how many I can make at once. So, if you end up waiting 5-10 minutes for a sandwich, be patient. I will stay in the kitchen until everyone is served.

If you sign up and do not plan to attend, please call me so I can adjust the food supply. Eight people were a no-show for the July 4th event.

Joyce Martin (941-451-1624) is in charge of the volunteers. If you would like to serve, set-up/tear-down or clean, please call Joyce. As always, Joyce handles all the details about our lunches/dinners when I volunteer to cook.

## BINGO NEWS

## **THE HUMANE THING TO DO**

*contributor Michael M. Kloian*

Following her HS graduation, my daughter, Melanie, decided to start a new life in southern Cal and moved from Michigan. She first lived

in Venice Beach, CA then after being hired by a Disney Studio she moved to West Hollywood. Her location was such that she was able to walk to Trader Joe's and other local stores.

Every day she would walk past a homeless man so one day she introduced herself to William, the homeless man. Melanie made sure she took William at least one meal a day she either cooked or perhaps a store-bought meal.

She spent time with William, getting to know him, his past, why is he homeless and why he begs for money. Melanie discovered that William had a secret talent – he was a pencil artist but lacked the proper supplies.

While at work one day, she obtained certain art supplies, like an easel, canvas, an array of pencils, etc. The next day she took those supplies and gave them to William.

Days later, while out walking, she stopped to see how William was doing. She discovered he had created a pencil drawing of Jimi Hendrix. William gave her that drawing (she still has the drawing hanging on a wall to this day) with a big thank you since now that he has an ample amount of art supplies he could now eke out a meager living by creating portraits of people passing by. William thanked Melanie and told her the art supply gift was better than receiving money.

It doesn't take much to help someone out, who is in need, or is less fortunate than we are. If you have a 'The Humane Thing To Do Story', I'd like to share this with our BLE residents. Kindly submit your story to [Editor@BayLakeEstates.org](mailto:Editor@BayLakeEstates.org) . Please put in the subject line Newsletter and your preferred column. If you do not receive a reply from me that

I received your article, please call me before the deadline of the 12th every month.

## **RUMMAGE SALE 2023**

*Jane Ann Miller*

The Rummage Sale for 2023 will be held on February 25th from 8:30 a.m. to 1:00 p.m. The resident's only sale will be February 24th from 1-3 p.m..

Items will be collected during the summer months by Tim Swain 317-258-3400, and Joyce Martin 941-451-1624. Call one of them to make arrangements for items to be picked up, or to meet them at the shed.

We ask that donations be in a condition that you would want to purchase. If donating a small appliance please make sure it works.

The rummage sale is being hosted by the men's golf league. Chaired by Kenny Nifong and Dave Eungard.

### Hearty Referral

As a small business owner, the best compliment I receive is a referral. Identifying who needs a referral can be a bit tricky. I created a story to help my clients identify who might need my services.

When you dine out with friends you may notice someone who keeps saying "huh" or "what". This indicates they can't hear well in a noisy setting and tends to be a first indicator of a hearing loss.

Research has indicated that on average people take seven years to seek help for their hearing loss. Maybe if enough people ask they might get the help sooner.

Over the years I have had referrals of new clients who tell me they were out to dinner with friends who recommended they come see me. And now, I have my referral suggestion taken to a whole new level. A lovely lady, with a great heart, was out to dinner with friends. She heard the gentleman sitting behind her saying "huh" and "what" quite a lot. After a while she turned around, interrupted him and suggested he come and see me.

The happy ending is he did come in. His wife had been begging him to get his hearing checked for years. Since a stranger said, "you are showing signs that you need to go see Blair". He realized he might have a bigger loss than he thought.

Since he was admitting he might have a loss, I was able to help him hear better. Now, his wife is happier when they go out to dinner.

### MY FAVORITE FILM OR TV SHOW

*contributor Michael M. Kloian*

I'd like to continue this new category by saying no doubt, everyone has their favorite film or TV show to share. So, I'd like to hear from you before the September/October newsletter deadline, which is the 12th of the month. I have several favorite films and/or TV shows. I'll share only one in this column. America's Got Talent (AGT) airs on NBC on Tuesdays at 8 pm. If I missed watching this show, I simply speak into the Xfinity remote control the following day and then select which episode I want to watch. There are 17 Seasons in all and 399 past Episodes.

Aside from the four judges, Terry Crews, the host of AGT makes this show sparkle with his huge smile and back-stage remarks.

Undiscovered talent of all ages -- singers, dancers, magicians, comics, musicians, ventriloquists and more -- appear before celebrity judges who decide which contestants move on in the competition each week. With the guidance of the show's host, the audience learns the backstories of these amazing performers as they strive to make it to the finale, where one talented performer wins a life-changing \$1 million prize, including a Las Vegas show. A select few join the most memorable and extraordinary acts from previous years, along with favorite contestants from other international Got Talent franchises, and

## MIRACLES DO HAPPEN

contributor Michael M. Kloian

In the year 1915, the Turkish government planned the execution and removal of countless Armenians from their homes and villages. The Armenian people occupied dozens of villages spread across a region inside Turkey. 1.5 million men, women and children were murdered as proven in the book, “The Armenian Genocide.” The following testimony, and many others, have become a part of that history.

They placed my grandmother, Khanum Palootzian, age 21, on the death march (where they walked till they dropped) with no food, water or clothing. If you google her name, her personal account, along with my dad, Zakaria, and his brother, Mesrob testimonies are on the NET on the same page.

Khanum’s daughter, strapped to her back, died of malnutrition along that treacherous march. Her unborn child, my mother, Doris, was safe inside her womb.

Many days later Khanum arrived at a village and a Danish missionary, Karin Petersen, recognized Khanum from having helped Karin at an orphanage years before the Genocide. So, Karin Petersen pulled her inside the missionary to save Khanum and her unborn child and gave them safe refuge. My mother was born at that missionary.

The above account was included in the book, “Diaries of a Danish Missionary” (google this) authored by Maria Jacobson, a Danish missionary. The Danish missionaries scattered throughout Armenia were responsible for saving the lives of thousands of Armenian children during that awful period in history. My mother was saved that dreadful day thanks to the attention of Karin Petersen.

Miracles really do happen!

## WHERE TO DINE – WHAT TO ORDER

contributor Robin Izbicki (Oleander St) & Michael M Kloian

Robin highly recommended I try the Pork Rib Eye (a boneless cut of pork) at The Clever Monkey Craft Grill & Bar in Osprey, 1272 S. Tamiami Trail – 941-786-1834. So, on Monday, July 11th I went to The Clever Monkey for dinner and was quickly greeted by a very friendly Gina, the manager, who not only explained that the owner of the restaurant is also the Chef but more importantly that all of the food is scratch made – no boxed/canned foods. I really liked the “clever” menu selections – can’t wait to go back and try their prime rib. The Pork Rib Eye was perfectly seasoned and grilled, with char lines in two directions. Tender and flavorful. I highly recommend this restaurant.

# A BLAST FROM THE PAST

(In the July newsletter there was a full-page photo on page 15. That vintage flier, along with this flier (as shown), was provided by Laurie Nemeth. How this BLE flier survived all these years in excellent condition, hiding perhaps in a drawer or a magazine rack, is a mystery. I was also informed from the office that this vintage flier was in our library, hiding underneath an encyclopedia.

This photo and information about our Community was included with that flier so I felt it was kind of important for folks to review since it is sort of nostalgic.

Bay Lake Estates is the area's newest and most modern mobile home park. Sarasota County's strict regulations governing new mobile home parks has been exceeded in the construction of this beautiful new development. Located between Venice and Nokomis, overlooking Roberts Bay and Curry Creek, it features wide paved streets that have been laid out to follow the contour of the land, providing a natural setting for beautiful Florida landscaping. Spacious rental lots will accommodate the largest of the new mobile homes. A modern recreation complex has been provided for park residents as well as central water and sewer, underground utilities and cable TV.

This large snook, considered by many to be the best eating yet, was caught off the fishing jetties.

Bay Lake Estates residents have easy access to all types of shopping, medical facilities, recreation and cultural centers. Large shopping centers, quality shops, banks, savings and loan associations and even stocks and bonds brokers are nearby in Venice and Nokomis. A fine modern hospital, recently doubled in size, several medical centers and three nursing homes are located in the area. In addition to fishing and boating, several golf courses are nearby, tennis courts, an art league and a little theatre group provide activities year-round. The Venice Area Chamber of Commerce lists seven pages of clubs and organizations in their guide book that are active.

Fishermen gather at the north jetty at sunset where fishing is usually good.

The Venice Hospital is one of the best in the state with a fine new intensive care department.

One of the modern shopping centers in the area around Bay Lake Estates.
