## UPDATES:

**\*\*Please note there will be NO Rummage or Plant sale in 2026.** We were unable to find volunteers to chair the event, and our HOA shed is still being used by park management. Should anyone be interested in chairing/co-chairing the 2027 event, please advise the Board as soon as possible.\*\*

**Maintenance Garage:** We are getting closer to obtaining the permit. The only issue left to resolve with the County is the elevation requirement.

**Fitness Centre Renovations:** The renovations will begin soon; Corporate is just finalizing the deposits with the contractor/supplier. The replacement equipment will be new with the same functions (like-for-like replacement), with the exception of the free weights, which will be kept as they are still in good condition.

**New Homes:** We will see another 7-9 new homes come in on Flamboyant in the next 2 to 3 months. #223 & #226 will also be demolished.

**Fence Repairs:** The parts have been ordered to fix the damaged fence posts. By repairing the posts, the fence will be straightened.

**Potholes:** The work order is in. Maintenance is waiting for temperatures to cool off before filling the pot holes with asphalt.

## VOLUNTEERS NEEDED:

**Board Vacancies:** We have 2 vacancies to fill. A call for volunteers has already been sent out with an application deadline of October 25th. Volunteers must be regular members in good standing. Vacancies will be filled by appointment following the affirmative vote of the majority of the remaining Directors at the October 30th BoD meeting. The term of a director appointed to fill a vacancy expires

at the next annual meeting at which directors are elected, at which point, the appointed directors may seek re-election.

- If no volunteers have come forward by the deadline, the Board may solicit members and/or accept volunteers from the floor at the October 30th Board meeting.

**Nominating Committee:** We are looking for 3-5 regular members in good standing, to be appointed to the Committee at the December meeting.

The purpose of the Nominating Committee is to obtain a slate of members (in good standing) who agree to serve as directors, if elected.

**Impartial Election Committee:** We are looking for 5 regular members in good standing, to be appointed to the Committee at the December meeting.

The purpose of the Impartial Election Committee is to oversee the election process and comply with all ballot requirements.

For the purposes of the Nominating & Impartial Election Committees, members cannot include any of the following people or their spouses:

- Current board members;
- Current association officers;
- Candidates for the association or board;
- Committee members cannot serve on both committees.

### WHO IS MRBEAST?

MrBeast is the online alias for American YouTuber, media personality, and businessman Jimmy Donaldson. He is the creator of the world's largest YouTube

channel, known for his viral videos featuring elaborate challenges, large-scale philanthropy, and high-stakes stunts, often involving significant cash prizes. Beyond his YouTube content, Donaldson has built a business empire that includes the fast-food brand MrBeast Burger, the snack company Feastables, and the Amazon game show Beast Games, and he has recently become a billionaire.

#### Key Aspects of MrBeast

- **Content:** His videos are characterized by their high production values, fast pace, and focus on challenges, stunts, and philanthropic giveaways.
- **Business Ventures:** Donaldson has successfully expanded beyond YouTube with ventures including:
  - **Feastables:** A popular snack brand.
  - **MrBeast Burger:** A virtual restaurant chain.
  - **Beast Games:** An Amazon Prime Video reality competition series with large cash prizes.
- **Philanthropy:** His philanthropic efforts include large donations, initiatives to provide clean water (I watched a video of him in Africa along with a team of well drillers visiting dozens of small villages who had no sustainable drinking water until he arrived), and inspiring others to engage in charitable actions.
- **Impact:** MrBeast has built one of the most influential and profitable content empires in the world, with a massive and dedicated global audience.

He started his YouTube channel in 2012 at the age of 13, and "MrBeast6000" was just a cool-sounding gamer tag at the time -- one of those names that sounds bold or powerful, like something you'd use in a video game. Eventually, he dropped the "6000" and just became known as MrBeast. Apr 13, 2025

How did MrBeast get so rich?

MrBeast, whose real name is Jimmy Donaldson, has created a \$1 billion empire largely off the huge popularity of his YouTube videos. In his videos, he does a variety of stunts; in some, he gives money

to charity. Through his YouTube videos, he earns money from ad revenue and sponsorships. May 17, 2025.

He briefly attended East Carolina University before dropping out. While at Greenville Christian, Donaldson played baseball as an outfielder for several years. After dropping out of university, Donaldson and his friends attempted to analyze and understand YouTube's recommendation algorithm to create viral videos.

While he donates 100% of the revenue made from his dedicated philanthropy channel, Beast Philanthropy, to charity, MrBeast is also well known for posting videos showing off his philanthropic efforts to his main channel, which draws in huge numbers of viewers (and enhances his earnings). # **WHAT IS THE BAY LAKE ESTATES HOMEOWNERS ASSOCIATION?**

*contributor Carol Gilchrist & Steve Rollison*

When you mention “Homeowners Association” or “HOA” many people immediately think of a group of busybodies who decide what colors residents may paint their homes, fine their neighbors for letting their grass get too long, and in general detract from the joy of living in their community.

To coin a phrase, that may have been your father’s HOA, but **we are NOT your father’s HOA!**

## **What does the Bay Lake HOA do then?**

- We are a volunteer organization. (We have no paid positions.) We’re dedicated to helping our community flourish through ongoing projects and events. For example...
- We hold community dinners, especially for the holidays: Thanksgiving, Christmas, etc.
- We set up special interest groups like book clubs, shuffleboard teams, men’s and women’s breakfast clubs, card playing (Euchre, poker, Pinochle, etc.), dominos, golf leagues, Mahjong, and others.
- We have special events like “Flamingo Races” and Halloween parties.

We also provide benefits that many residents take advantage of, like...

- Free computer support: computer repairs, software education, etc.
- Free use of computer and printer
- Free copier

## **So the HOA doesn’t set or enforce rules?**

- No. Our charter doesn’t give us the authority to create rules that park residents and guests must comply with. Neither do we have the authority to enforce any new or existing park rules – that’s the responsibility of the park owners.

## **Anything else the HOA does?**

Yes. Florida statutes do give the HOA the authority to represent homeowners in several important ways.

- We negotiate rent increases with ELS, our park

owner.

- We serve as a liaison between park management and residents.
- For those situations, it’s important that a high percentage of residents are HOA members; otherwise ELS takes us less seriously.

### Do I Have a Loss?

**Blair Post, HAS, BC-HIS, ACA**

Board Certified Hearing Instrument Sciences  
American Conference of Audioprosthology

How do you know if you have a hearing loss?

The easy answer is you won't.

You won't notice at all. It is your family and friends who will notice your loss. They are the ones who have to repeat everything for you. They are the ones who repeat what the waitress said. They are the ones who repeat what the punchline of the joke is. They are the ones who repeat what your young grandchild asks. They are the ones who repeat what the news anchor announced as breaking news. They are the ones who repeat when the next meeting will be held.

We had a woman who heard me speak at her community event. She had asked the question, how do I know I have a loss? I told her only a hearing test would define any loss she had.

Karen heard her share that she was coming in as a favor to her son-in-law who was frustrated enough to say, I love you and I want you to hear what I say, please get your hearing tested.

As Karen remarked, that is a great man, to know that hearing what he says is how to show him love.

The sentence that saddened Karen was when the woman said, I don't think my loss is that bad. My husband and I hear the same things, so it isn't that bad of a loss. Karen didn't point out that hearing the same could mean both of them have a significant hearing loss. That neither are hearing what others are trying to share with them.

How do you know if you have a hearing loss? You have family and friends who repeat things for you. They love you enough to repeat things.

If you don't hear your friends and family the first time they share something and want a hearing test to know if you have a loss call 941-244-9300 for a free test.

We want you to hear the love of your family and friends.

### YOUR MOST VALUABLE ACCOUNT – EVENT ALERTS

What exactly are the Event Alerts, you ask? They are short e-mail “blasts” sent out whenever there are news items, announcements, events or activities you'd want to know about. The Bay Laker Newsletter is great, but like any printed information, it's pretty much out of date by the time you pick it up. Alerts are the best way to stay on top of things at Bay Lake.

If you're not already a subscriber, becoming one couldn't be any easier. Just send Steve a request at:

[EventAlerts@SteveRollison.com](mailto:EventAlerts@SteveRollison.com)

A brief “Please subscribe me,” along

with your name, is all you need to send. New residents are encouraged to subscribe so as to keep up with any last minute changes or events.

## NEWSLETTERS

Home delivery of our monthly newsletter ended May 1<sup>st</sup> and if several folks volunteer soon home delivery could very well begin sooner than later. You may pick up a copy at the clubhouse on or after the 1<sup>st</sup> of every month. Stay informed – read the newsletter. Folks always try to attend an event at the last minute simply because they didn't know about it. If you don't read **this monthly newsletter** then this is on you.

You can always access past newsletters on-line at [www.BayLakeEstates.org](http://www.BayLakeEstates.org).

## HOA MEMBERSHIPS

HOA memberships are still on sale for 2025. 2026 memberships will begin soon. All homeowners may purchase a membership for \$10.00 for the entire year. This is a fiscal thing, January – December. *Please note*, when voting for the election of directors **only one member of the HOA per household are allowed to vote**, per #723 of the Florida Statue. Annual renters and occupants may purchase an Associate membership for \$10.00 a year as well. All members may vote on HOA issues and expenditures and attend HOA meetings. HOA memberships are important to receive discounts or to join special events, like the Welcome Back Breakfast, Ice Cream Social, Valentine's Day dinner and dance, Halloween Party and more.

Memberships will be sold at Saturday morning coffee and at association meetings, or by calling John Kreta at 513-886-4201.

### **80 IS THE NEW 60**

*as seen on Nightly News 09/23/2025*

The 80-year-old Canadian who plays softball and appeared on nightly news is Nelson Bradbury. He became famous after sending a heartfelt text message to his younger teammates that went viral.

Key facts about Nelson Bradbury's story:

**Viral Message:** A video on TikTok showed a text message that Bradbury, a member of a men's league team in Mount Pearl, Newfoundland, sent to his teammates. In the message, he expressed his gratitude for being allowed to play and for giving him "a reason to get out of bed in the morning".

**Media Attention:** Following the viral fame, his story was picked up by news outlets in both Canada and the U.S., including NBC News and CTV News.

**Background:** Bradbury joined the league 11 years ago, and his wife encouraged him to pursue his love of the game again after he spotted an ad for players.

In a heartfelt message, Bradbury expressed how much he appreciates being part of a community of men who keep him going, attributing it as a reason he gets out of bed in the morning. He humorously thanked them for keeping an “old fart” like him on the squad and admitted that while “some days are better than others,” he’s determined to keep contributing his best. The touching message resonated beyond the

softball group chat when Evans' wife, Sam, 34, shared Bradbury's [early morning text on TikTok](#). "My husband showed me the message the following day and it made me very emotional," Sam reveals. "I thought it was wonderful that a man would be sharing something so sweet and heartfelt with other men." The post quickly went viral, capturing the hearts of over 14 million viewers — standing as a powerful reminder of how friendship and purpose can inspire at any age. Bradbury, however, has always had a passion for softball, dating back to his childhood.

**LONGET** – Venice -  
Cooking With Love!

LONGET (*pronounced lon-get with a silent t*) offers fine dining

and cocktails, serving an extraordinary culinary experience. They combine the ground-breaking culinary artistry of an award-winning chef and his dedicated staff, in an elevated casual atmosphere. *FUSION WITH A FRENCH ACCENT* best describes Longet!

You don't need to fly to Paris for great French Cuisine. Longet is right around the corner from our community.

It's very rare to find a restaurant like Longet, a true French cuisine, whose Chef takes pride in every dish he prepares, which explains why there are 7 main course entrees on their menu, not including their daily specials or various appetizers on their menu. Restaurants with pages upon pages of food

selections may be questionable, unless of course they have a bunch of chefs/cooks in the back of the house performing various tasks, in which case the quality of a particular item could easily vary from visit to visit.

When I was Chef at the Chicago Road House, I took pride in everything I prepared, whether it was simply roasting a prime rib roast or making scratch-made food like lobster Newburg or Coq-Au-Vin, etc., etc. The Chef at Longet takes pride in every meal that leaves the kitchen. I know this from my first visit. Being a French restaurant, with a French Chef, I knew I had to order the Escargot (they are not the crawly little snails many folks picture in their mind). This French classic could not have been better, not even in my kitchen. The bread that was served resembled small, thin slices of French Baguette, which is used for dunking in the small Escargot cups to soak up the garlicky butter & parsley sauce the Escargot's were cooked in or to spread soft butter over.

My entrée selection, Scallops Risotto, was made to perfection and the asparagus melted in my mouth. All in all, I'll be excited to return and perhaps try their pan seared Duck Breast or Lamb Shank, another French classic dish I happen to fancy.

Oh, by the way, the service is as good as the food. You won't be disappointed. Upon request, your server will assist you with your wine selection paired perfectly with your meal. Reservations are highly recommended on line or over the phone as they do get very busy. [LongetVenice.com](http://LongetVenice.com) or call 941-484-0377. Closed only on Sunday.

#### BURLESQUE – 2010

This film is highly entertaining with some great singing by both Cher and Christina Aguilera. A must see for music lovers.

Ali (Christina Aguilera), a small-town gal with a huge voice, leaves a troubled life behind and follows her dreams to Los Angeles. She lands a job as a cocktail waitress at the Burlesque Lounge, a once majestic theater that houses an inspired musical revue led by Tess (Cher), the proprietor. Ali vows to perform there and, with the help of a savvy stage manager (Stanley Tucci) and a gender-bending host, she makes the leap from bar to stage, helping restore the club's former glory.
